<hr/>	

ArtsEngageME’s **Cultural Sector Network** was established to strengthen the arts and culture sector of Maine through advocacy, programs and development. The Cultural Sector Network will meet twice a year to learn about current advocacy strategies and how they can engage.

The Mission of ArtsEngageME:

To build an environment that engages all sectors, public and private, across the State to promote the awareness and value of the creative and cultural sectors, and to invest in their sustainability.
